

Uplift service
in West Lothian

Give your kid's treasures a new home

please donate

Donations in
West Lothian
help the
West Lothian
community

Why not donate your quality children's toys, clothes, buggies and prams, books, nursery furniture, baby goods and maternity wear?

Help us to help others

Young children grow up so fast. As a parent you probably have good quality children's clothes and other items stored around your home. Why not free up some space and help us put them to good use again?

We're an award-winning social enterprise that cares for the environment and our community through our shops, employment initiatives and fundraising events.

We divert an average of 5 tonnes from landfill every month – that's 5 giraffes!

Quality and value, plus a little TLC

We're approved by Revolve – Scotland's national accreditation for organisations that sell quality refurbished and reconditioned goods.

Come and visit us at our stores:

Kidzeco Bathgate
